From the Sanitary Commissioner
No 4208 dated 24.4.08

Forwards extract from letter No 3235 dated the 6th April 1908, from the Dy Comr, Bangalore District, regarding the replacement of frontier temporary plague Supervisors* by Qualified Sanitary Inspectors and states that it is necessary in order to maintain uniformity in respect of the frontier staff there should be fully qualified Sanitary Inspectors instead of Assistant Sanitary Inspectors.

[The Sanitary Comr. with this letter No 3921 dated the 8th April 08, forwarded Copy of letter from the President District Board, Hosur, stating that it is not possible just now either to appoint a Sanitary Inspector for the Jamboo Indlu or to transfer the Sanitary Inspector of Krishna in order to replace the temporary plague Supervisor employed on frontier supervision work.] The temporary plague Supervisors employed on frontier plague duty in the Jamboo and Hosur Districts have been replaced by duly qualified Sanitary Inspectors. In case of Sanitary Inspector employed on plague duty in addition to Municipal or D. F. works half of his pay is debited to the plague funds. The Dy Comr Bangalore states that there is provision only for Assistant Sanitary Inspectors in

in the Local fund budget. In the extract from the Bangalore Dy Comrs letter, received from the Sanitary Comrs, it is stated that Sanitary Inspectors are to be appointed for all the ~~4~~ which have not been ~~contemplated~~ specified frontier talukes. There are only two talukes for which temporary plague Supervisors have been appointed; viz Kankanhally & Anekal.

Sir,

Subd to 2 from 29/4/08

In continuation of this office letter No. 3921 dated the 8th April 1908, I have the honor to forward for favor of early orders of Government an extract from letter No. 3235 dated the 6/7th April 1908 from the Deputy Commissioner Bangalore District, regarding the replacement of the frontier plague staff by qualified Sanitary Inspectors. As already explained in my letter No. 3374 dated 9-3-08 it is undesirable to appoint only Assistant Sanitary Inspectors for Taluk Boards, and moreover, seeing that fully qualified Sanitary Inspectors have been appointed for the Frontier Taluks of the Tumkur and Kolar Districts, it is necessary in order to maintain uniformity in respect of the frontier staff that there should be fully qualified men on Rs. 30-2-40 plus 10 for Bangalore District also. As however, the Deputy Commissioner reports that there is provision only for Assistant Sanitary Inspectors in the Local Fund budget, a moiety of the cost may be debited to the plague funds, subject to the necessary provision being made for the entire charge, in the Local Fund budget for the next and succeeding years.

I have the honor to be,
Sir,
Your most obedient servant,

For Sanitary Commissioner.

Sir,

In reply to your docket No.11587 San56-07-12 dated the 11th Instant, I have the honor to state that there are two circles and not two Taluks in the Bangalore District for which Plague Supervisors have been employed in connection with the Frontier Protection Scheme. The frontier tracts in the Anekal Bangalore and Hosakota Taluks form the Anakal Circle, while the similar area in the Kankanhalli Taluk forms the other circle. There are thus 4 Taluks in this District for each of which a Sanitary Inspector will have to be employed if the special Frontier Staff is to be done away with as suggested by Government.

I have the honor to be,

Sir,

Your most obedient servant,
